This first method will allow editing through the upload tool, but it may not work with some browsers. As such, an alternative tool will be available. For this method, the file type should be .jpg, .gif, or .bmp, and the photo file size should not exceed 4mb.

. Letters of Recommendation:

Applicants must upload digital versions (scans are acceptable) of their original hard copy letters of recommendation for the initial application stage while completing their online application. The files must be uploaded in PDF format. The file size must not exceed 10mb. The original and ink-signed hard copies will also need to be submitted following a successful interview only. There are very specific requirements for the letters' contents and format. Please pay careful attention to the letter of recommendation requirements outlined below. Each letter of recommendation must meet all of the following requirements:

- ✓ **Letters must be on letterhead OR the referee's business card must be attached.** If neither is possible, the applicant will need to obtain a letter from a different source. If a business card is attached, a scan of the business card should be submitted as a PDF file zipped along with the letter of recommendation PDF file(s).
- ✓ **Letters must have the name of the writer and their title clearly stated.**
- ✓ **Letters must be signed. Digital signatures will be accepted for the initial application only. Following a successful interview, the originals with real, pen-to-paper ink-signature will need to be submitted.**
- ✓ **Letters of recommendation must contain the contact information of the referee.** Ideally, both a phone number and an email contact should be on the letter.
- ✓ **The letters must be dated** and must be no older than 2 years from the opening of the application period for the term an applicant is applying.

- ✓ **Letters must include the applicant's full first and last name as it appears on their passport.**
- ✓ **Letters may be in either Korean or English only.**
- ✓ **Letters should be 1-2 pages in length.**
- ✓ **Letters should be addressed to "Whom it May Concern" or to the "EPIK Team."** Letters addressed to recruiters or other institutions/organizations will not be accepted.

- ✓ **Current private school (hagwon) or public school teachers in Korea must provide at least one letter from their current school.** Public schools in Korea do not normally have letterhead so the letter should clearly state the school name, school address, and school phone number and have the official school stamp if available.
- ✓ **We cannot accept letters from online TEFL/TESOL/etc course providers.**

A sample letter of recommendation template can be found in [Appendix 1](#).

Along with these photos, applicants may submit photos showing the method they plan to use to keep the tattoos covered. All tattoos must remain covered at all times while teaching through the EPIK Program. Be sure to list full details as requested on the online application along with uploading the necessary photos. The uploaded file is limited to 1 file and will need to be in either .jpg or PDF format.
